DATE 4 - 6 September 2025

VENUE World Trade Centre Kuala Lumpur, Malaysia

The vibrant heart of Malaysia's furniture industry beats strongly as the MFFM 2025 officially opens its door at the World Trade Centre Kuala Lumpur.

"MFFM has rapidly established itself as more than just a showcase. It is Malaysia's strategic nexus for furniture trade, with a dual mission of propelling exporters into international markets while strengthening our domestic economy," remarks by YB Datuk Chan Foong Hin, Deputy Minister of Plantation & Commodities during the opening ceremony.

Karen Goi, the organiser of MFFM outlined the core vision behind MFFM in her welcome remarks: "The foundation of MFFM was built on a clear vision: to create a dedicated platform that fulfils the evolving sourcing needs of global furniture buyers. The true measure of MFFM lies not in its size, but in the exceptional quality of its participants and the substantial, long-lasting connections made here."
