

Important Update: MFFM 2026

To our valued MFFM community,

The MFFM Organising Committee has decided **not to proceed with the 3rd edition of MFFM original scheduled for September 2026.**

This decision comes after a careful review of current market conditions. Given the ongoing economic uncertainties, we believe pausing the event is the most responsible way to protect the interests of our partners and ensure the high standards of the MFFM brand are maintained.

We remain committed to the industry and the strategic September sourcing cycle. We will be monitoring the market closely and look forward to resuming the show once the situation becomes more stable and predictable.

Thank you for your continued support and understanding. If you have any enquiry, please email to info@derrisen.com.
